

## Principal's Message

---

Welcome to 2022 at Ponsonby Intermediate.

We are well organised for the start of school and I hope your summer has gone smoothly. New Zealand's move into the Red setting has meant we will need to change some of our organisation. We will be in touch with greater detail when the Ministry releases more information on Wednesday.

Today's communication is a "heads up" on things we already know.

**Uniform sales** - 9am - 2pm tomorrow, Wednesday, Thursday (25<sup>th</sup> – 27 January). Please use the Clarence Street entrance and make your way to the **Hall**. We will have staff on hand to assist with uniform sales, however, due to the change in settings we have to limit the number of families in the hall at any one time and request your patience with this process.

**School Stationery** - Students will need their stationery on day one, Tuesday 1st February. Ready made packs are available from Warehouse Stationery St Lukes.

**First Day of School** - with the Red light setting we have adjusted our plans.

*Year 7 students* - Parents please drop your child off at the gate and we will usher our new students to the large covered outdoor basketball court to meet their new teacher.

*Year 8 students* know their 2022 teacher and form class location. Year 8's please make your way directly to Form Class. We ask all students to be wearing their masks as they enter the school.

**Meet the Teacher Evening** - this event will continue on Wednesday 2nd February at 6pm via Zoom. You will be sent a Zoom invite by your child's Form Teacher. In a few weeks time we will also offer an "opt in" session via Zoom with the Senior Leadership team.

Again, welcome to your Ponsonby experience and we will be in contact later in the week.

Nga mihi,

Nick Wilson  
**Principal**

Community

At Ponsonby Intermediate we value:

### Growth Through Learning

We are open to change, treating each challenge as an opportunity to learn. As life long learners we strive to be the best we can be.

### Expressing Ourselves

We explore and share our thoughts, talents, feelings and beliefs because these make us who we are. We get the most out of life when we are true to ourselves.

### Making Connections:

As a member of a class, a school and a community, we are part of a whole. We come together from many different cultures to learn from each other.

### Showing Respect for other People

Because we have confidence in who we are, we are able to appreciate and let others be themselves. We care for, and support each other, inside and outside the classroom.
