## Principal's Message

As Term 2 draws to a close it's time to reflect on what an incredible term it has been. We kicked things off with some standout events — the Talent Quest, Pink Shirt Day, and the Great House Race — all of which were fantastic showcases of our students' enthusiasm and spirit.

Not long after, we dove into rehearsals for our school Production. Many of you came along to see the performances last week, and I know some of you even took my advice and came more than once! It was truly an unforgettable experience. The Production was not only a stunning display of talent but also a meaningful learning journey, full of memories that our students will carry with them for years to come.

A huge thank you goes to Chrissie Cullen, Katie Fiddian, Lisa Stephenson, and Claire Holmes. These incredible teachers brought the production to life — their passion, creativity, and dedication are nothing short of superpowers. It was heart-warming to see the students express their gratitude for everything these teachers do.

On the sporting front, participation has been outstanding. Basketball remains the top choice, with more than a quarter of our students playing every Monday night. Other sports this term included Water Polo, Futsal, Netball, Hockey, Swim League, Football, Skiing, and Table Tennis — an impressive range that reflects the diversity of interests in our school.

Academically, students have wrapped up their novel and science fiction studies, as well as two new modular subjects. Looking ahead to Term 3, we'll be starting our three-minute speeches and rotating into new Languages and Social Sciences programmes. We're also excited about the upcoming Roadshow and Capital City Tour — both are shaping up to be highlights of the term.

A reminder that school reports will be emailed out this Friday, 27 June.

Wishing you all a safe, restful, and happy two week holiday break!

## Production – ‘The Day the Internet Died’

---

What a wonderful week it was! We kicked off with our Tech Day on Sunday, followed by two dress rehearsals on Monday, and then five incredible performances.

Our cast, musicians, singers, and dancers impressed us with their talent, professionalism, sense of fun and amazing work ethic. We received amazing feedback from our audiences, who were blown away by the energy and enthusiasm on stage.

It was a pleasure to watch our performers grow in confidence and take full ownership of their roles as the week progressed. Their passion and commitment lit up the stage and created something really special.

A huge thank you to everyone for your hard work, love, and dedication throughout Term 2 to bring this production to life. We are so proud of you all!

## Hockey

Last week on Monday 16 June, the Central Zone Hockey 7 A-side tournament took place at North Harbour Hockey Stadium, with 11 schools participating on the day. Ponsonby Intermediate entered a mixed team of Year 7 and 8 students - Daniel Dhanji, James Old, Arlo Slavin, Chloe Nguyen, Olive Morrison, Oki Rimell, Aiden Davison and Barnaby Yelash. Off field players strategised about defensive and offensive play - great team comms! On field players competed with gritty determination and optimistic spirit, and had loads of fun throughout the pool and playoff round games. Results: Ponsonby v Ficino 1-2, v ANI 4-0, v Waikowhai 1-1, v Mt Roskill 1-1 (1-2 on Penalty Corner points), v Royal Oak 0-0 (1-2 on PC points) and v Ficino 4-1 win to place 7th overall. Top effort from everyone considering most hadn't played together before as a team. Special mention to Barnaby who stepped up as goalie for the day and made some outstanding saves in goal. Thanks for the support from parent Katie Slavin and teacher Ms Murray.

## Basketball

Semester One of Monday night basketball in the Harbour Basketball competition has wrapped up. Well done to all teams for representing Ponsonby Intermediate with pride and showcasing our GEMS every single game! A massive shout-out to the Lakers, Lightning, and Sparks for winning their respective grades and earning the gold medals. Congratulations to everyone for your dedication, teamwork, and sportsmanship; we look forward to seeing this same energy and excellence carry us into Semester Two!

## Board of Trustee Elections

---

In September this year the school board will be running elections, as we do every three years. At the board meeting on Tuesday night the board chose to introduce staggered (Mid-term) elections. The school community will elect half of the parent representatives for an 18 month term, and run an additional mid-term election in 18 months time. The impact of this would be a staggered turnover of parent representatives (each committing to a 3-year tenure), and a more frequent election cycle that would more closely represent the tenure of students at our school. See <https://www.schoolboardelections.org.nz/> for more details.

## Teacher Only Days in Term 3

---

The Ministry of Education granted schools two Teacher Only Days in 2025 to help with the development of the new curriculum changes. Ponsonby Intermediate will hold these Teacher Only Days on;

- **Friday 22 August**
- **Friday 12 September**

Supervision will be provided if needed.

## Camp Fees

## Puberty Education in Term 3

Starting Term 3, Health lessons will focus on Relationships, Puberty and Body Systems. Resources - Navigating The Journey, Relationships and Sexuality Education (RSE) Years 1-8: - A Guide for Teachers and Leaders, align well to assist with the delivery of this programme, including educational online resources for Body Systems.

The learning outcomes for this unit will enable students to work towards achievement of *Health and Physical Education* guidelines mentioned in the *New Zealand Curriculum*.

This programme reinforces what the Year 8 students learnt last year, in more depth and will introduce key concepts to Year 7 students. Students will learn about:

- Establishing a positive Learning Environment.
- Who am I? Respect for self and others.
- Year 8 - Relationships: Relationships/Friendships and their qualities.
- Growing and Changing: The physical, mental and emotional, social, and spiritual growth, and development that occurs and the new needs that arise during puberty.
- Decision Making: Strategies to manage the changes students will experience.
- Year 7 - Understanding Body Systems - how these systems all work together (excludes reproductive system).

If you wish for your child to be withdrawn from the class while a specific activity is being taught, please make this known by email to the Principal Nick Wilson [nickw@ponsint.school.nz](mailto:nickw@ponsint.school.nz) before Monday 14 July, 2025.

## School TV

---

In today's world, it is becoming apparent that some young people are being influenced by the language around them. It is becoming more common for them to hear derogatory terms or offensive language on the streets, on social media channels, streaming services and in some forms of modern music. Proliferating the use of such language can sometimes normalise, glamorise and sanitise their impact, taking their meaning out of context. Words can be misconstrued to be hurtful, racist, homophobic, misogynistic or even discriminatory. Using disrespectful language is considered socially unacceptable, and if not addressed early, can become a serious problem.

## Making Connections

As members of a class, a school and a community, we are part of a whole. We come together from many different cultures to learn from each other.

## Showing Respect for Other People

Because we have confidence in who we are, we are able to appreciate and let others be themselves. We care and support each other inside and outside the classroom.
